OVERVIEW

Jay Moeller is the founder and overseer of the School for Kingdom Advancement as well as KRC. Jay is an apostolic father who jumpstarts leaders into their purpose by establishing their identity, engraining, and securing a Kingdom 1st mindset and equipping them for transformation. His heart burns to raise up Kingdom sons and daughters who will become fathers and mothers that raise up generations to expand the Kingdom into the earth. This will result in lives and cities being transformed as the culture of Heaven becomes the culture on the Earth. He has served as the Senior Pastor for Legacy Church in New Braunfels, TX since 2007.

Part of this call was to establish a regional training and equipping center/hub that would provide a platform for five-fold leaders to equip, empower and deploy believers into the mountains or spheres of influence they are called to impact. Ephesians 4:11-16 describes how Jesus gave gifts to the church in the form of apostles, prophets, evangelists, pastors, and teachers. Their responsibility is to equip the saints (believers) for the work of ministry (both inside and out of the church) as well as help the whole body grow into the full maturity of Jesus. This work continues today.

In 2020, Jay along with the leadership of Legacy Church laid the foundation for the Kingdom Resource Center or KRC which is a separate entity from any church, including Legacy. The purpose for this is to provide a neutral place for believers throughout the region to be trained and equipped without giving up their local church family. A church leader can feel confident that anyone they send to a KRC course will not only be trained up well but will become even more effective in their church home. Long term, KRC will host and/or promote a variety of both in-person and virtual schools, intensives, and masterclasses. The School for Kingdom Advancement is one of these schools.

The main goal of SKA is primarily aimed at three things:

- Establish a clear foundation for what “Seeking First the Kingdom of God” looks like. This is regardless of someone’s specific gifts or calling. It is the *First Priority* that everything is built upon.
- Engrain within you a “Kingdom First” framework for mindsets, identity, revival, the Bible, church, ministry, character, and more. How you think will impact how you live. Who you think you are will determine what you are capable of. We will bring you into alignment with how God thinks and who He is. This includes equipping you to operate wholeheartedly in every part of your life with the character to match.
- Equip and empower you to bring transformation by advancing the Kingdom into your sphere of influence. God lives in you to transform you. He works through you to transform the world around you. This is more than just “doing” ministry but instead “re-presenting” the image of a good Father to a world desperately in need of one. This looks like helping orphans become trusted sons and

daughters who develop into trusted fathers and mothers in the Kingdom while also providing practical solutions.

Who is this school for? The beauty of SKA is that it is designed to expand your growth, no matter where you're at in your journey or the scope of your calling. It may be your first time taking a ministry school of any kind beyond church discipleship programs. It may be your first or next step before committing to a multiyear school like BSSM, Seminary, ETC. Maybe your pastor or church leader wants to develop you into a leadership role. You may already be a seasoned leader ready for more. You may just be hungry and are looking to grow in your understanding of God. SKA will equip you with a framework that allows you to accelerate your success.

CLASS TIME AND LOCATION

The School for Kingdom Advancement takes place over 4+ months (18 sessions + Conferences & Zooms) as a practical Kingdom equipping school. Our regular class takes place at Legacy Church in New Braunfels, TX on Sunday evenings from 4pm-8pm. Please be prompt. During class, there will be times of teaching, group discussion, testimonies, and activations.

ACTIVATION GROUP

An important part of this process is small group interaction and discussion. These groups are designed for you to stay connected, process what is being taught, and activate it. One of our goals is not to replace any small groups our students are a part of within their local church. Instead, we built in interaction time every Sunday night. When you attend a conference, we ask that you sit together and process together while at the conference.

SERVICE

Jesus came not to be served but to serve. Service is not a part of our identity but instead the outflow of who we are in Christ. We ask that as a ministry student that you are in some capacity serving your local church. Quarterly evaluation sheets from your ministry leader will be due on the Homework deadline.

ZOOMS WITH GUEST SPEAKERS

SKA includes a multiple Guest Speaker Zooms on a Wednesday night. They are mandatory but will be recorded in case someone misses. These speakers are all five-fold fathers or mothers who carry specific callings, gifts and anointings that we want to impart to you.

CONFERENCES

Legacy Church will be hosting two separate events that are required for SKA students to attend: Revival Fire Conference with Torrey Harper February 27-March 1st and Legacy Healing Intensive April 17-28, 2026. We will not meet those Sunday nights.

HOMEWORK

Homework is a mixture of book reports, conference reports, simple Review Questions from each lesson, as well as personal reflections. This will also include a Kingdom leader interview and report. You will be given a Student Workbook binder. The main purpose is to gauge your progress and engagement. Grades are Pass/Fail. We will record every session for you to review or to make up for an unavoidable absence. DO NOT share these recordings with anyone outside of SKA. A private Dropbox link will be sent via email every Tuesday with the previous Sunday's recordings.

BOOK REPORTS

Two book reports are assigned each year. A sample report form will be provided in class. We are not looking for regurgitation of the information but instead how impacted your way of thinking, seeing and living. These books come as part of your registration and will be provided in class. See below for a list of the books that will be assigned:

- 1) Supernatural Ways of Royalty by Kris Vallotton
- 2) When Heaven Invades Earth by Bill Johnson
- 3) Motivated by Design by Cindy Hatcher (Will be used in class. No report required).
